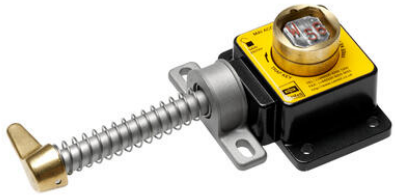
# CASTELL AI/MAI DOOR LOCK

AI-FSAL-1
Single key access interlock, brass, left-handed



- Mechanical lock, no electricity needed
- Extremely durable
- Made of brass / stainless steel
- Also suitable for twin and slide doors

### PRODUCT DESCRIPTION

The AI is a single key access interlock ideal for use on hinged doors. The interlock has an open cavity design manufactured in either aluminium alloy/brass or stainless steel, making it ideal for use in harsh or corrosive environments and heavy use. Typical industries using the AI are food, chemical, pharmaceutical, mining, steel and power generation.
