ARION SMARTSAFE T12 PANEL

12020121
Panel 1230x200 mm, T12

- Most popular safety fence system
- System heights 1410, 2080 mm
- Easy to install

PRODUCT DESCRIPTION

SmartSafe is a simple and strong system with wire mesh panels without frames with bent edges for increased strength. A cutting kit is available as standard accessory, making it easy to adjust both width and height when assembling.
There are also standard accessories for the system that make it easy to build with our other systems.
Wire meshes: 100×20 mm, wire diameter 3 & 5 mm
