

## SURFACE MOUNT LED 3510

E3510A

Warning light orange, 10-30V

- Measures only 83.8 x 27.9 x 10.2mm
- Comprised of 24 1-watt high-intensity LEDs
- 16 flash patterns
- Available in amber, blue, clear and red

### PRODUCT DESCRIPTION

The 3510 surface mount LED warning light is designed to offer maximum performance with minimum size. This slimline LED measures only 83.8 x 27.9mm and only 10.2mm deep, comprised of 24 1-watt high-intensity LEDs in an ultra compact housing. Its small footprint allows for mounting in almost any location on a vehicle body. It is synchronisable with additional units and any Hide-A-LED model. The 3510 includes 16 flash patterns and is available in amber, blue, clear and red (colourless when not illuminated). Additional benefits of LED technology include high-intensity light output, low current draw and long maintenance-free service life.

### SPECIFICATIONS
