

SOCKETS FOR C12 INTERFACE RELAYS

2-pole

S-12P

Socket For C12 Interface Relay 8 Pin PCB

- I/O connection
- Small construction dimensions, only 16,9 mm wide
- Strappable A2 for block mounting
- Retaining bow included
- Robust screws and terminal openings

PRODUCT DESCRIPTION

SPECIFICATIONS

Switching Capability Voltage	250 V
Breaking Capacity Current	5 A
Temperature range from	-40 °C
Temperature range bearing, from	-40 °C
Temperature range bearing, to	80 °C
Temperature range to	60 °C
Weight	7 g
