MGV SPH POWER SUPPLY

54-80 V DC, 6,7 A

SPH500-7207
POWER SUPPLY

- Width 62mm
- Efficiency ~88%
- Powerboost up to 150%

PRODUCT DESCRIPTION

MGV SPH series power supplies have an automatic input selection 120/230 V AC. They also feature overtemperature protection, primary and secondary overvoltage protection, DC-OK relay and an ON/OFF remote control.
