

R SERIES BASES AND ACCESSORIES

850520900

RWD Design bracket for vertical mounting of R series beacons with standard base

- Bases for R Series Light modules
- Sounder base
- Mounting brackets
- Additional gaskets

PRODUCT DESCRIPTION

The R Series bases are to be used in combination with the full range of R Series [light modules](#).

The standard base comes with cable entry from below through a grommet, as well as different hole patterns as knockouts for easy installation. The universal base has an additional opening for lateral cable entry/exit and there is an option for pole mounting (on 25mm poles). Other mountings are available: metal brackets for standard and universal base, metal bracket for acoustic base, design bracket. Installation is simple and safe. There is a plug-in terminal in the base for convenient electrical wiring.
