

## G SERIES, XENON STROBE BEACON, Ø120MM

842542405

FLG STROBE BEACON RED 24VAC/DC

- Ø120mm Beacon
- Strobe, Flashing and Steady light options
- Wide control voltage range

### PRODUCT DESCRIPTION

The Series G is AUER's best-value solution for universal applications. The large signal lamp with 48 LEDs produces an excellent frontal and lateral signal effect. The surface-mounted beacon series is available in the size Ø 120 mm with a low calotte. With an ingress protection class of IP65, the G series surface-mounted beacon is recommended for outdoor use.

Mounting options include vertical mounting, this model also contains a bayonet locking system with push button. It is used for general applications due to its attractive price to performance ratio.

### SPECIFICATIONS

<b>Color House</b>	Black RAL 9005
