PRODUCT DESCRIPTION

DLC Display Co. Ltd is our newest LCD, TFT and OLED display manufacturer in the Displays & Keyboards product area.

DLC is an innovative display manufacturer with a fast and high quality product range covering small and medium sized LCD, TFT and OLED displays.

Sizes from 0.38" to 15" with either resistive or PCAP touch panels or no touch panel at all. DLC is your choice if you need to design modifications to a standard display, or design your own display.
