

## EXTERNAL LINK CROSS CONNECTORS

### AQI External Links

2181.0

AQV 2 PE/N 10 - 2 pole External Cross connector for SL10/RK6-10 Combo

- Insulated for protection
- Reliable & secure fixing

### PRODUCT DESCRIPTION

External cross connection links makes it possible to connect potentials of terminals where there is no option of a central cross connection channel.

These links are quicker, easier and a more reliable way of linking than using wire links with ferrules.

When using the external, the rated cross section of wire is reduced to the next smallest size.
