

## G SERIES, XENON STROBE BEACON, Ø120MM

842541405

FLG STROBE BEACON AMBER 24VAC/DC

- Ø120mm Beacon
- Strobe, Flashing and Steady light options
- Wide control voltage range

### PRODUCT DESCRIPTION

The Series G is AUERs best-value solution for universal applications. The large signal lamp with 48 LEDs produces an excellent frontal and lateral signal effect. The surface-mounted beacon series is available in the size Ø 120 mm with a low calotte. With an ingress protection class of IP65, the G series surface-mounted beacon is recommended for outdoor use.

Mounting options include vertical mounting, this model also contains a bayonet locking system with push button. It is used for general applications due to its attractive price to performance ratio.

### SPECIFICATIONS

Color House	Black RAL 9005
Color Lens	Orange
Diameter	120 mm
Flash Energy	5 J
Flash Frequency	1 Hz
Height	102 mm
IP Class	IP65
Light source	Xenon
Nominal current	320 mA
Nominal Supply Voltage	24 V AC/DC
Operational Temperature	-30°C ... 50°C
Terminal connection	2,5 mm <sup>2</sup>
