

## PADLOCKS

CB3B15KA  
30mm padlock, brass

- Reliable and high quality product
- Unique or identical coding
- 50 000 code variants
- Master Key available
- Delivery includes 2 keys per lock

### PRODUCT DESCRIPTION

Castell Padlocks provide guaranteed safety during maintenance procedures. The servicemen hold their personal locks which can't be opened with any other key than the ones they possess. Every coding is documented which ensures unique coding on each key even they were manufactured in different patches.

Every lock and key are distinctly marked with their corresponding coding. Scope of delivery includes two keys per lock.
