

LOCK CLASP

C236300

Padlock clasp, 58x109.10 mm, 9,5mm holes

- Light weight and durable
- Distinctive coloring
- Max. 6 padlocks

PRODUCT DESCRIPTION

Castell padlock clasp is a useful accessory for padlocks. The lock clasp ensures that for example the main switch cannot be turned on, while maintenance is ongoing. Especially useful when multiple people are taking part in the same procedure.

The delivery includes a lock and keys, clasp and bag for storing.
