

SURFACE MOUNTED LUMINAIRE SL- RGBW

15070714

- Flat and slim, surface mounted, length 280 - 840mm.
- Anodised aluminium housing, IP40
- M8 connector
- Diffuse acrylic cover
- 7 different color options

PRODUCT DESCRIPTION

To offer you the added value of RGBW-technology on a larger scale we extended this to the SL series. It provides the same advantages as the almost identically designed standard version and enables like the ELN- RGBW the indication of diverse machine statuses. Benefit from our slim and cost effective all-in-one solution and save time, costs and space.

SPECIFICATIONS

Colour temperature	5700 K
IP Class	IP40
Length	280 mm
Material Glass	PMMA
Power Consumption	9,4 W
Supply voltage	24 V DC
Temperature range from	-20 °C
Temperature range to	45 °C
